three times at night the pain was so bad no matter what I lay in bed I could not get any ease, so I am now feeling great, and many thanks to you have put me on my feet again I rub my leg with your card and piece of linen day and night, Well Danny I am more than thankful to you for what you have done for me so I wish you all the best and good luck

Yours

I hope you get this bit of money I am 72 years old
